JANUARY
EDITION

WHAT'S
NEW?

Science
Dept.

Students in Dr. Gregusova's Physics class are learning to calculate electrons by measuring static electricity on their balloons. Way to go!

C.A.N.E.S NEWSLETTER

CTAE
DEPT.

Computer
Science,
Game
Design and
E-Sports

Students in Ms. Farabow's Healthcare Class have been learning all about the Integumentary System (skin), which is the largest organ in the human body!

Ms. Hendrix's Game Design and Computer Science students along with Mr. Cross and his E-Sports students traveled to Atlanta to attend the Siege Conference and College Fair. They learned about the variety of programs offered at colleges and universities, as well as the skills necessary to compete in that industry. They had a blast!

SHOW CHOIR

The FHSCCA Show Choir, Encore Unlimited, under the direction of Joanie Padgett, recently traveled to Birmingham, AL where they competed in the Tallahassee Capital City Classic. Encore Unlimited brought home the first place trophy! Congratulations!!
